

One Focused Week. Lasting Impact.

A rigorous five-day online programme for international Sixth Form students preparing to excel at A Level — and at university beyond.

20–24 July 2026

Fully Online

Ages 16–19

Y11–Y13

Places Strictly Limited

THE PROGRAMME

More Than Revision.

A Shift in Academic Thinking.

White Oak Summer Mastery is designed for ambitious international students who want to develop genuine academic depth — the kind that top universities reward. Each day builds deliberately, from mindset to mastery.

WHAT STUDENTS LEAVE WITH

Academic Clarity

Command of A Level thinking, structured argumentation, and analytical depth.

Exam Mastery

Fluency with mark schemes, timed responses, and examiner expectations.

University Insight

Understanding what UK, European, and Asian universities look for.

Global Community

Ambitious peers from Asia and Europe — connections that last.

Lifelong Skills

Critical thinking, public speaking, and evidence-based revision strategies.

THE FIVE DAYS

01

MON

Thinking Like a Sixth Former
Academic habits, structured thinking, and the mindset shift needed for A Level success.

02

TUE

Deep Subject Mastery
Expert-led seminars bridging key knowledge gaps across core A Level disciplines.

03

WED

Mastering the Marks
Past paper clinics, mark scheme fluency, and structured written responses.

04

THU

The University Horizon
What elite universities really look for — and how to position yourself now.

05

FRI

Leadership & Reflection
Critical thinking, global challenges, and a celebration of the week's growth.

INTELLECTUAL THEMES — MASTERCLASSES

Ideas That Challenge.

Thinking That Lasts.

Each daily Masterclass tackles a high-level intellectual theme — the kind of interdisciplinary thinking that distinguishes outstanding applicants.

Game Theory & Strategic Thinking

Decision-making frameworks used in economics, politics, and negotiation.

Ethics in AI & the Future of Humanity

The philosophical questions that will define the next generation of leaders.

The Science of Memory & Learning

Evidence-based revision strategies rooted in cognitive science research.

How Top Universities Choose Students

What admissions tutors at Russell Group and leading universities look for.

Critical Thinking as a Life Skill

Building the intellectual rigour and clarity that exceptional students show.

WHO IS THIS FOR?

→ **Y11 → Y12**

Build A Level foundations before Year 12 begins.

→ **Y12 → Y13**

Deepen subject mastery and sharpen exam technique ahead of final year.

→ **Y13 → University**

Consolidate academic thinking and prepare for university demands.

Open internationally — Thailand, Hong Kong, Singapore, Malaysia, Vietnam, China, Korea, Japan and Europe.
