

**WHITE OAK COLLEGE**

The background of the page is a photograph of a modern library. On the right side, there are tall, light-colored wooden bookshelves filled with books. The shelves have integrated lighting that glows from below. In the center, there is a large, arched doorway leading to another part of the library. Through the arch, a wooden ceiling and a large, spherical, orange-colored pendant light are visible. The overall atmosphere is warm and intellectual.

# The White Oak Approach

***Holistic academic preparation, mentorship, and future-focused guidance for ambitious young global learners.***

White Oak programmes are designed not only to support academic achievement, but also to cultivate curiosity, confidence, leadership, and a strong sense of direction.

We aim to create a learning environment where students feel inspired, challenged, and supported preparing them not only for examinations, but for the opportunities and possibilities that lie ahead.

# White Oak Preparatory Pathways

***Holistic academic preparation, mentorship, and future-focused guidance for ambitious young global learners.***

At White Oak, we believe education should be intellectually stimulating, deeply personal, and designed to help students discover who they are becoming. Our preparatory programmes are created for motivated young people who wish to explore their passions, strengthen academic foundations, and prepare confidently for future success.

# White Oak Preparatory Programme

**Ages 12-16 | Pre-A Level | Full-Year-Programme**

Designed for students before sixth form, the White Oak Preparatory Programme provides a nurturing yet academically ambitious environment where students can develop confidence, curiosity, independence, and clarity about their future pathways. Students are supported holistically through mentorship, academic guidance, and opportunities to explore their talents and aspirations in a meaningful way.

Programme Includes:

- University and career guidance from an early stage
- Passion and talent exploration to help students discover their strengths
- Early CV and portfolio guidance
- Subject tutoring for Pre-IGCSE and IGCSE students
- Weekly group coaching sessions focused on growth, motivation, and academic development
- Weekly personal 1-1 mentorship sessions
- Meet-and-greet opportunities with AS and A Level students
- A holistic learning environment combining academics, mentorship, and personal development

This programme is designed to help students become thoughtful, motivated, and future-ready learners while building a strong foundation for sixth form and beyond.
